What Stella McCartney Taught Us About Sustainability

In honor of the fashion designer's birthday, L'OFFICIEL looks back at McCartney's impact in sustainable fashion.

09.13.2021 by Michaela Zee

As one of the fashion industry's leading designers in sustainable practices, [Stella McCartney](#) repeatedly proves to the world why she and her namesake label are a force to be reckoned with.

Ever since her brand's launch in 2001, the British fashion designer has introduced various [sustainable](#) methods of production for her collections. From recycled materials to the ban of leathers, furs, and feathers, McCartney has always been committed to creating clothes that will not harm the environment.

In celebration of McCartney's 50th birthday, here are several highlights of her sustainable journey throughout the years.

Adidas by Stella McCartney
